Total	**10,920**	**13,080**	**617**	**37,710**	**62,327**	**5,915**	**56,412**

Notes

- **Daily** rows exist only for days an item had impressions or spend.

- **Monthly** rows cover every month from each item's start month to the current month; months without delivery are empty rows (No Data = Yes). Every live item already has an empty November row.
